John Muller, Chair
S.F. Bay Regional Water Board
1515 Clay St., Suite 1400
Oakland, CA 94612

Dear Mr. Muller,

I am concerned that the Board's proposed permit, requiring cities and counties to meet a cleanup level of 100 pieces of trash for every 100 feet in a trash "hot spot" isn't sufficient to make the clean bay that we so desire.

Could you please consider revising the proposal to be more in keeping with the regulations in place in the L.A. area?

We have worked long and hard with the Save the Bay organization. And we'd like to make sure our interests are not compromised.

Sincerely,

Elizabeth crews
